Want to give something that outlasts gift cards and toys?

Contact me to discuss why the MI 529 Advisor Plan might make the perfect gift for your loved ones' educational future this holiday season.

The Michigan 529 Advisor Plan is offered by the State of Michigan. TIAA-CREF Tuition Financing, Inc. (TFI) is the Program Manager and Nuveen Securities, LLC is the Distributor.

Before investing, carefully consider the investment objectives, risks, charges and expenses of the MI 529 Advisor Plan, including whether the investor's or the Designated Beneficiary's home state offers any state tax or other benefits that are only available for investment in such state's qualified tuition program. Other state benefits may include financial aid, scholarship funds, and protection from creditors. For this and other information that should be read carefully, please request a Plan Disclosure Booklet at 866.529.8818 or visit MI529advisor.com.

Participation in the MI Advisor Plan does not guarantee that the account's assets will be adequate to cover future tuition or other higher education expenses, or that a Designated Beneficiary will be admitted to or permitted to continue to attend an institution of higher education. Contributions to an Account and the investment earnings if any, are not guaranteed or insured by the State of Michigan, The Michigan Department of the Treasury, the State Treasurer of Michigan, the Michigan Education Savings Program, the Federal Deposit Insurance Corporation, any other government agency or entity or any of the service providers to the Michigan Education Savings Program, including, but not limited to, TIAA-CREF Tuition Financing, Inc. and Nuveen Securities, LLC.
